Commissioners met on this day for a Special Called Meeting with the following members present: Paul Wilson and John Richwine. Commissioner Jeff Hardin was not present due to his mother having surgery. Also present were County Attorney Jerry Shine, County Auditor Kathy Stoops-Wright, Deputy Auditor Jane Lyons and Commissioners Office Manager Linda Smith.

IN THE MATTER OF APPOINTMENT OF VETERANS AFFAIRS OFFICER

Commissioners appointed Jay Randolph as the new Veterans Affairs Officer. Motion to approve made by John Richwine and seconded by Paul Wilson. Motion carried unanimously.

Jay served over twenty years in the United States Navy as an Internal Communication Electrician. During the Iranian hostage conflict, Jay was awarded a Navy Expeditionary Medal, which is a medal awarded to officers and enlisted service members of the Navy and Marine Corps who have actually landed on foreign territory and engaged in operations against armed opposition. Jay also developed written training instructions on anti-terrorism (chemical, biological, and radiation).

The Madison County Commissioners sought the services of a very special organization, Madison County Civic Fraternal and Veterans Organization, to aid in their pursuit to appoint the person best suited as the Veteran's Service Officer. Following the screening of many applications and interviews, that person was Jay Randolph.

The County Commissioners wanted to express their thanks and gratitude to all interested applicants and to those who contacted them directly to make referral recommendations.

Please welcome Jay as he begins his County endeavor Monday, February 22nd

There being no further business the meeting was adjourned.
